Because this year marks the 20-th year there will be some changes in the format for the second retiro. There are celebration activities that are being planned for Sunday afternoon (after the Retiro officially closes). The Sunday afternoon celebration will be open to familias, friends and anyone who wishes to attend. Alumni from early retiros are asked to consider attending the second retiro.

In the tradition of the Círculo and because we value our work in retiro, this will be an alcohol and drug-free gathering. We hope to see you there to continue the work of being the hombres that make our familias and community proud.

There is sufficient space for 40-hombres at each Retiro and it is recommended that registrations be sent by the deadline listed above.

We will adhere to the principle of first come first served. Send completed registrations to:

Directions

Mission San Antonio de Padua sits in the middle of the Fort Hunter Liggett Military Reservation about half way between U.S. 101 and California Highway 1.

From Bay Area heading south:

1. Take Highway 101 to King City.
2. Exit Highway 101 at Jolon Road (county road G14) & continue South to Jolon (19 mi)
3. Enter Fort Hunter Liggett (Identification must be provided at entrance).
4. Take Mission Road (5.5 miles) to the Mission.

From Los Angeles heading north:

1. Northbound on 101 exit just past Bradley at the other end of Jolon Road (now county road G18).
2. Travel North 21 miles to Jolon.
3. Enter Fort Hunter Liggett (Identification must be provided at entrance)
4. Take Mission Road another 5.5 miles or so to the mission.

Jolon itself can be easily missed if you blink at the wrong time so look for the large triangle of three roads coming together at the entrance to Fort Hunter Liggett. Mission San Antonio is in the middle of an active military training facility. Obey all traffic and speed limit signs because base police enforce all the rules. **Photo identification is needed to enter Fort Hunter Liggett and in the past proof of auto registration and insurance has been requested by gate attendants.**
