
20th Annual Celebration Festivities August 10, 2008 \$20.00 person

Because this year marks the 20th year there will be some changes in the format for the second retiro. After the retiro ends on Sunday afternoon, a celebration is planned on the Mission grounds that involved giving thanks, and flor y canto. This celebration will be open to familias, friends and anyone who wishes to attend.

This fee will cover the cost of food and facilities reservations and is not a money generating event.

Include \$5.00 non-refundable deposit per person.

- Celebration food cost enclosed
- Food payment will be paid at retreat

Directions

Mission San Antonio de Padua sits in the middle of the Fort Hunter Liggett Military Reservation about half way between U.S. 101 and California Highway 1.

From Bay Area heading south:

1. Take Highway 101 to King City.
 2. Exit Highway 101 at Jolon Road (county road G14) & continue South to Jolon (19 mi)
 3. Enter Fort Hunter Liggett (Identification must be provided at entrance).
-

4. Take Mission Road (5.5 miles) to the Mission.

From Los Angeles heading north:

1. Northbound on 101 exit just past Bradley at the other end of Jolon Road (now county road G18).
2. Travel North 21 miles to Jolon.
3. Enter Fort Hunter Liggett (Identification must be provided at entrance)
4. Take Mission Road another 5.5 miles or so to the mission.

Jolon itself can be easily missed if you blink at the wrong time so look for the large triangle of three roads coming together at the entrance to Fort Hunter Liggett. Mission San Antonio is in the middle of an active military training facility. Obey all traffic and speed limit signs because base police enforce all the rules. **Photo identification is needed to enter Fort Hunter Liggett and in the past proof of auto registration and insurance has been requested by gate attendants.**
